

*Our diving centre is located in the Three Corners Fayrouz Plaza Hotel at the beach beside the beach bar.*

*For the check in we need from you: Dive log, your diving certification, Passport copy, Medical Statement from the doctor or our Med. Statement with your signature (in case you have any med. Problems, please visit your doctor)*

*All our tanks are aluminium DIN, we have adapters for INT, and for NITROX we don't charge any extra fee.*

*We offer our guests different ways to go diving / snorkelling. We have trips by minibus and boat-trips as well. Our trips always take place. Does not matter if there is just one person on the list or there are 20 people.*

*The minibus-trips we offer as half-day-trips. We leave the Dive Centre at 8.45 am or earlier for the morning dive and at 1.30 pm for the afternoon dive. It takes us between 20 and 55 minutes to reach our dive sites.*

*The entrances you can find at our dive sites are different – sandy-entry at our bays or as well canyon- or hole-entries. The favourite dive sites by minibus are definitely Marsa Abu Dabab, The Cave, Sheikh Malek and Marsa Shoona. Marsa Abu Dabab is a big bay with easy entry. One Dugong and many huge turtles call this place their home. On different dive sites, we have to pay an entrance fee, because some of the places are private. You always find a remark on the list where you sign-in. In winter season we offer our divers / snorkelers a cup of tea after diving or snorkelling, this is a free service.*

*Another possibility to dive / snorkel is to go out with the daily boat. We offer boat trips from*

*Ghalib Harbour, Equinox or Marsa Alam Harbour. Port Ghalib is 10 minutes by bus from our hotel. With this boat, we go to the dive-sites near Port Ghalib – from 20 until 60 minutes per way. We always stay the whole day at the same spot. We have a zodiac with us, like this, you can also do one-way dives back to the boat. Our highlights here in Port Ghalib are called Sharm Shoona and Abu Sail. As well, we offer once a week to dive at Elphinstone and Gotta Abu Dabab, we go first 30 min with Bus and after also round half an hour with the boat to the dive site.*

*One or two times a week we plan Trip to Dolphinhouse, we drive round one hour with the bus south directions and after one and half hour with the Boat to the place.*

*If you would like to have lunch on the boat – our boat crew always cook nice Egyptian food. For € 7. - extra you can eat and drink as much as you can. Here the same, you do not have to pay it cash on the boat. We will pay for you, and at the end, you find the amount on your bill.*

*Diving at our house reef is possible. Just the weather can cancel the dives. However, this does not take place up to 95% per year. In case of a bad weather situation, we offer other possibilities to dive at this day. For snorkelling, it is o problem at all.*

*You do not have to book a dive package in advance. You can decide day by day, what you want to do – one dive or two dives a day, this is up to you. We can kombine the diving packages in the end. Like this, you can enjoy your holidays and spend so much time under water as you like.*

*In advance, you get a good briefing of the dive-site. Like this, you continue directly with the normal dive, together with the dive guide if you have less than 25-logged dives or you would like to dive with the guide. If you have more than 25 dives, your check was okay and you have a dive buddy you can discover the place without a guide.*

*For every diver it is mandatory to do a check dive. This check includes a proper weight-check (spare weights are available). After the weight-check, we ask for three skills in shallow water. First mask remove and clearing, handle an out of air situation, hovering. Normally this check takes just 5 minutes of the dive.*

*Our team is multilingual. All of us are English speaking. Some of us speak German, French or Italian as well.*

*In the end of your holidays, you can pay your invoice in cash or with credit card. Our main currency is Euro. That means the invoice will be in Euro. You do not have to change your currency.
