# DIVING

At check-in you will get a box number and you will find hangers to hang up and dry your equipment. Lockers are available to lock away your equipment.

You can rent equipment at the diving center for a fee.

The first dive with us is the check dive, where the guide is included. Divers with less than 25 logged dives must always dive with a guide.

Nitrox is free for certified divers.

## Diving at the house reef

You can dive at our house reef at any time. The dive times are daily from 8:00 am to 4:00 pm. As our house reef is large and there is a lot to discover, we also offer transfers ( surcharge) by zodiac so that you can do an one-way dive back to the jetty.

If you would like to go diving with a guide, we offer two guided dives a day at 9.00 am and 2.00 pm

## Early & Night

With a minimum of 4 divers, we offer daily early morning dives as a short trip to Shaab Saiman and night dives at our house reef from the jetty.

## Short trips by zodiac

Daily at 8.30 am and 1.30 pm we offer trips with the Zodiac to the surrounding dive sites with one dive each. The sites can be reached in max. 30 minutes.

## Full day tours by boat

Our day trips by boat include two dives, or optionally three at some dive sites, with a sufficient surface interval.

We start at 7.30 am and return to the dive center around 4.30 pm. You can have lunch on the boat and there are several drinks - payable directly on the boat.

## Half-day trips by bus

Our half-day trips with the minibus offer two dives with a sufficient surface break. We start at 8:00 am and are back at the dive center around 2:00 pm.
